

On behalf of the Ministry of Emergency Situations of the Republic of Uzbekistan, I cordially welcome the exhibitors and guests of the 15th Anniversary International Exhibition Securex Uzbekistan 2024.

The Government of Uzbekistan pays great attention to the issues of ensuring the safety of citizens, industrial, information and environmental security. The Ministry of Emergency Situations of the Republic of Uzbekistan plays a significant role in this sphere as an important link in the system of state bodies.

Securex Uzbekistan exhibition is a universal business platform for demonstration of the latest equipment, technologies and innovations, as well as productive dialogue of manufacturers and suppliers with industry professionals and representatives of government agencies.

I am sure that participation in the exhibition will contribute to the development of your business. I wish all participants successful work, new business contacts and profitable contracts.
